Re: Revised Disability Access Certificate regarding BZ01 - Revised, Minor revisions to the previously approved DAC (Ref no DAC2405696DC) for the proposed construction of a three-storey residential block (to be known as BZ01). Oscar Traynor Road Residential Development, Oscar Traynor Road, Coolock Lane, Dublin

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above-mentioned appeal and to the Commission Order dated the 24th day of August 2026 which relates to a granting of permission for a Disability Access Certificate.

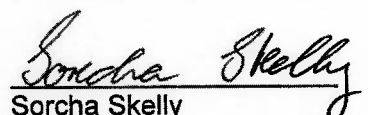

Please note that an error occurred in the naming of the correct Building Control reference number. The Commission considered that the correction of the above-mentioned error would not result in a material alteration of the terms of the decision, when read in conjunction with the remainder of the Order. The reference in question should have read as follows.

Building Control Authority Register Reference Number: DRV2516099DC

Henceforth, the Commission's Order should be read in conjunction with this letter.

The inconvenience caused is regretted.

Yours faithfully,

Sorcha Skelly
Senior Administrative Officer
