Re: Revisions to previously approved Reg Ref. 3890/22 which include dormer structure and window to the front elevation and elevational alterations.
9, Bremen Avenue, Irishtown Dublin 4

Dear Sir/Madam,

I have been asked by the Commission to refer further to the above-mentioned case which was recently determined by the Commission.

The Commission has noted that condition number 5 of the order in its decision stipulates that site development and building works on Saturdays shall be carried out between 1800 to 1400 hours. This is an error; more correctly the hours in question for Saturdays should be between 0800 hours to 1400 hours. Henceforth, the said Commission order should be read in conjunction with this letter.

I trust the foregoing is of assistance and clarifies the matter.

Yours faithfully,
Kieran Somers
Executive Officer
