Re: M28 Cork to Ringaskiddy Motorway Scheme.
Co. Cork

Dear Sir,

I have been asked by An Bord Pleanála to refer further to the above mentioned pre-application consultation. Please be advised that the Board has noted the content of the Inspector's Report and is satisfied that the consultations are now complete.

A copy of the documentation submitted to An Bord Pleanála including a copy of the written records of the pre-application consultation meetings with An Bord Pleanála can be made available for public inspection at this stage and must be associated with any application file documentation when such an application is made. The public notices of any planning application should indicate that the application will be made available for public inspection at the offices of the local authority (as well as the offices of An Bord Pleanála). Please note that the public will have the right to make submissions/ observations on the application only to An Bord Pleanála and within a time limit which will be specified in the public notices and the public should be alerted to this fact when inspecting the file. It is An Bord Pleanála's intention that all of the application documentation will remain available for public inspection during the currency of the application.

Please find enclosed a copy of the Planning Inspector's report, including a list of prescribed bodies and the procedures for making an application. Please note that the Minister for Housing, Planning, Community and Local Government should be added to the inspector's list of prescribed bodies.

If you have any queries in relation to the matter please contact the undersigned officer of the Board. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Kieran Doherty
