Dear Sir / Madam,

**RE: PL29S.PC0185: PROPOSED NATIONAL MATERNITY HOSPITAL AT ST. VINCENT'S UNIVERSITY HOSPITAL, ELM PARK, DUBLIN 4.**

We confirm receipt of the Record of Meeting number 6 which was held on 25<sup>th</sup> January 2017.

As a matter of course, we would like to highlight a minor inaccuracy in the record on page no. 4; where under the heading "Other Matters" it is set out that the proposed development will generate an approximate "additional 300 no. trips" which is "an increase of approximately 1% with regard to the network". We wish to confirm for the record that the proposed development will generate an additional 300 no. public transport trips.

We also wish to confirm that it is the applicant's intention that meeting no. 6 is the last meeting at this stage of the process. We, therefore, formally request that the Pre-Application Consultation Process is now closed.

We also request that you confirm that the Application for the proposed National Maternity Hospital at St. Vincent's University Hospital is deemed as Strategic Infrastructure Development under the Planning and Development (Strategic Infrastructure) Act 2006.
