#### **DECISION**

The Board, in accordance with section 48 of the Planning and Development Act, 2000, as amended, considered, based on the reasons and considerations set out below, that the terms of the Development Contribution Scheme for the area had not been properly applied in respect of condition number 6 and directs the said Council to REMOVE condition number 6 and the reason therefor.

#### **REASONS AND CONSIDERATIONS**

The proposed development is for continuance of use of an existing telecommunications mast and mobile phone infrastructure. In the absence of any specific provision in the Mayo County Council Development Contribution Scheme for the levying of financial contributions in respect of telecommunications masts and mobile phone infrastructure, it is considered that the terms of the Scheme have not been properly applied by the planning authority in this instance.

### **MATTERS CONSIDERED**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Member of An Bord Pleanála duly authorised to authenticate the seal of the Board.
