PLANNING AND DEVELOPMENT ACTS 2000 TO 2016

Dún Laoghaire-Rathdown County

Planning Register Reference Number: D16A/0540

An Bord Pleanála Reference Number: PL 06D.247374

APPEAL by Kate and Pierce Ryan care of Ray McDonnell Architects of 54 Dunville Avenue, Rathmines, Dublin against the decision made on the 14th day of September, 2016 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Walter and Aoife Hafner care of McCarthy O'Brien Architects Designers of 6 Percy Place, Dublin in accordance with plans and particulars lodged with the said Council.

PROPOSED DEVELOPMENT: Demolition of existing detached house and construction of replacement two-storey detached dormer style four-bedroom house, associated site works and new gates and piers at 7 Sorbonne, Ardilea, Clonskeagh, Dublin.

DECISION

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

MATTERS CONSIDERED

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

REASONS AND CONSIDERATIONS

Having regard to the zoning of the site as set out in the Dún Laoghaire-Rathdown County Development Plan 2016-2022 and the extent of the development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by An Bord Pleanála on the 3rd day of November, 2016, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The entire premises shall be used as a single dwelling unit only.

Reason: To prevent unauthorised development.

3. Prior to commencement of development, details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority.

Reason: In the interest of orderly development and the visual amenities of the area.

4. All service cables associated with the proposed development (such as electrical, television, telephone and public lighting cables) shall be run underground within the site.

Reason: In the interest of orderly development and the visual amenities of the area.

5. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

6. Surface water from the site shall not be permitted to drain onto any public roads.

Reason: In the interest of traffic safety.

7. The developer shall ensure that the height of the proposed new gates and piers shall be a maximum of 1.1 metres so as to provide good visibility for pedestrians and vehicles exiting from and entering the vehicular entrance.

Reason: In the interest of traffic safety.

8. All necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.

Reason: To protect the amenities of the area.

9. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including hours of working, noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
