PLANNING AND DEVELOPMENT ACTS 2000 TO 2016

Dún Laoghaire-Rathdown County

Planning Register Reference Number: D16A/0545

An Bord Pleanála Reference Number: PL 06D.247564

APPEAL by Danielle Colbert care of Collins Maher Martin Architects of Dodder Park Road, Rathfarnham, Dublin against the decision made on the 21st day of October, 2016 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Paul O'Byrne care of Keenan Lynch Architects of 4 Herbert Place, Dublin in accordance with plans and particulars lodged with the said Council.

PROPOSED DEVELOPMENT: Demolition of single storey extension to the existing medical centre and change of use from medical centre to single family two-storey dwelling, including the construction of single storey extensions to front (circa 11 square metres) and rear (circa 29 square metres) and attic conversion with dormer roof and window along with construction of two number two-storey three bedroom semi-detached houses (circa 107 square metres) and the blocking up of the existing medical centre vehicular entrance and provision of three number new vehicular entrances to facilitate the housing units at 67 Churchtown Road Upper, Churchtown, Dublin.

DECISION

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

MATTERS CONSIDERED

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

REASONS AND CONSIDERATIONS

Having regard to the planning history of the site and surrounding area, the provisions of the Dún Laoghaire-Rathdown County Development Plan 2016–2022 including the site's "A" zoning objective which seeks to "protect and/or improve residential amenity" and to the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual and residential amenities of the area, would afford an acceptable standard of amenity to future occupiers and would be acceptable in terms of traffic safety and convenience. The proposed development, would, therefore, be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 28th day of September, 2016, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

4. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

5. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

6. The site shall be landscaped in accordance with a comprehensive scheme of landscaping, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This scheme shall include the following:

(a) A plan to scale of not less than 1:500 showing –

- (i) The species, variety, number, size and locations of all proposed trees and shrubs, which shall not include prunus species.
- (iv) Hard landscaping works, specifying surfacing materials and finished levels.

(b) A timescale for implementation.

All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development, shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

Reason: In the interest of residential and visual amenity.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
