Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the location of the site within Blackrock and the pattern of existing development in the area, it is considered that the proposed development, subject to compliance with the conditions set out below, would not seriously injure the amenities of the area or of property in the vicinity and would not conflict with the objectives of the Louth County Development Plan. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.
