---

## **Planning and Development Acts 2000 to 2017**

**Planning Authority: Dún Laoghaire-Rathdown County Council**

**Planning Register Reference Number: D17A/0394**

**Appeal** by Simona Doyle and Jim and Paola Bowman care of Rogers Brassil Associates of 72 Albert Road Lower, Sandycove, Dún Laoghaire, County Dublin against the decision made on the 4<sup>th</sup> day of September, 2017 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Siobhan Smyth care of E.M. Doyle and Associates of 22 Oak Hill, Arklow, County Wicklow in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** Construction of a dwellinghouse with associated parking, drainage, water connection, landscaping and ancillary works. Planning permission is also sought to include the area of the carer's accommodation granted under planning register reference number D15A/0429 within site number 3. All at site number 3 Saval Park, Saval Park Road, Dalkey, County Dublin.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the provisions of the Dún Laoghaire-Rathdown County Development Plan 2016-2022, the planning history of the site, the pattern of development in the area and to the nature, form, scale and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 8<sup>th</sup> day of August, 2017, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services. All surface water generated within the site boundaries shall be collected and disposed of within the curtilage of the site. No surface water from roofs, paved areas or otherwise shall discharge to the combined sewer onto the public road or to adjoining properties. Prior to commencement of development, the developer shall submit to, and agree in writing with, the planning authority details of proposed surface water disposal arrangements.

**Reason:** In the interest of public health and to ensure a proper standard of development.

3. All service cables associated with the proposed development (such as electrical, telecommunications and television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

**Reason:** In the interests of visual and residential amenity.

4. Site development and building works shall be carried out between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

5. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including measures to prevent and mitigate the spillage or deposit of debris, soil or other material on the adjoining public road network, noise management measures and off-site disposal of construction/demolition waste.

**Reason:** In the interests of public safety and residential amenity.

6. (a) A scheme indicating boundary treatments shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This boundary treatment scheme shall provide a screen along the western boundary consisting predominantly of trees, shrubs and hedging, capable of growing to the height of four metres. The planting shall be carried out in accordance with the agreed scheme and shall be completed within the first planting season following the substantial completion of external construction works.
- (b) Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development shall be replaced within the next planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

**Reason:** In order to screen the development and in the interest of visual amenity.
