**Planning and Development Acts 2000 to 2017**

**Planning Authority: Waterford City and County Council**

**Planning Register Reference Number: 17/576**

**Appeal** by Gillian Morrissey and Donal Johnson care of Peter Thomson Planning Solutions of 4 Priory Grove, Kells, County Kilkenny and by Paul and Angela Walsh of Riverdale, Newtown, Waterford against the decision made on the 28<sup>th</sup> day of September, 2017 by Waterford City and County Council to grant subject to conditions a permission to the said Paul and Angela Walsh in accordance with plans and particulars lodged with the said Council:

**Proposed Development:** Alterations to existing dwelling comprising (a) extending existing single-storey pitched roof dwelling to the side at ground floor level, (b) construction of a new pitched roof first floor extension, (c) elevational modifications including alterations to existing windows and forming of new windows, (d) altering boundary walls and (e) new slate roof to existing sunroom to the rear, all at Love Lane, Tramore, County Waterford.

**Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the pattern of development in the area and to the design and orientation of the proposed alterations and extension, it is considered that the proposed development, subject to compliance with the conditions set out below, would not seriously injure the residential amenities of the area and would otherwise be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The proposed development shall be amended as follows:
  - (a) the window in bedroom 4 shall be reduced in width to match the window in bedroom no 5, and
  - (b) a minimum of one parking space within the curtilage of the site shall be provided and clearly indicated on site plans.

Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interests of visual and residential amenity.

3. The external finishes of the proposed extension including roof tiles/slates shall be the same as those of the existing dwelling in respect of colour and texture. Samples of the proposed materials shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

4. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

6. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July 2006. The plan shall include details of waste to be generated during site clearance and construction phases, and details of the methods and locations to be employed for the prevention, minimisation, recovery and disposal of this material in accordance with the provisions of the Waste Management Plan for the Region in which the site is situated.

**Reason:** In the interest of sustainable waste management.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
