**Planning Register Reference Number: SD17B/0313**

An Bord Pleanála Reference Number: ABP-300297-17

**APPEAL** by Ann Keely of 5 Fernwood Way, Springfield, Tallaght, Dublin against the decision made on the 26<sup>th</sup> day of October, 2017 by South Dublin County Council to grant subject to conditions a permission to Robert Donohue care of Tara Ward of 4 Carrigmore Close, Aylesbury, Tallaght, Dublin in accordance with plans and particulars lodged with the said Council.

**PROPOSED DEVELOPMENT:** Construction of proposed ground floor side extension with pitched roof over, at 1A Fernwod Way, Springfield, Tallaght, Dublin.

## **DECISION**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **MATTERS CONSIDERED**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **REASONS AND CONSIDERATIONS**

Having regard to the location of the site on residentially zoned lands, to the development standards for residential extensions in the South Dublin County Development Plan 2016-2022, to the acceptable scale and design of the extension, and to the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or the amenities of property in the vicinity and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The external finishes of the proposed extension shall harmonise with those of the existing dwelling in respect of colour and texture.

**Reason:** In the interest of visual amenity.

3. The existing dwelling and proposed extension shall be jointly occupied as a single residential unit and the extension shall not be sold, let or otherwise transferred or conveyed, save as part of the dwelling.

**Reason:** To restrict the use of the extension in the interest of residential amenity.

4. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

- 5 The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefitting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
