An Bord Pleanála Reference Number: ABP-300463-17

APPEAL by Giorgio Capellia care of Ceardean Limited, D8 Studios, of 9 Dolphins Barn, South Circular Road, Dublin against the decision made on the 20th day of November, 2017 by Dublin City Council to refuse permission for the proposed development.

PROPOSED DEVELOPMENT: A first floor bedroom extension above single storey extension to the side of the existing house, with associated site works at number 43A Ribh Road, Harmonstown, Dublin.

DECISION

GRANT permission for the above proposed development in accordance with the plans and particulars lodged with the said council, based on the reasons and considerations under and subject to the conditions set out below.

MATTERS CONSIDERED

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

REASONS AND CONSIDERATIONS

Having regard to the zoning provisions for the site, to the nature and scale of the proposed development, and to the existing pattern of development in the vicinity, it is considered that, subject to compliance with the conditions set out below, the proposed development would not be out of character with development in the area, would be in keeping with the existing house on site and would not seriously injure the residential or visual amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The external finishes of the proposed extension including roof tiles/slates shall harmonise with those of the existing dwelling in respect of colour and texture. The red brick at first floor level shall be omitted and the finish shall match the existing first floor finish. Details in this regard shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

4. Site development and building works shall be carried out between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.
