

Planning and Development Acts 2000 to 2017

Planning Authority: South Dublin County Council

Planning Register Reference Number: SD17A/0372

Appeal by Irish Residential Properties Reit Plc care of Tom Phillips and Associates of 80 Harcourt Street, Dublin against the decision made on the 7th day of December, 2017 by South Dublin County Council to refuse permission for the proposed development.

Proposed Development: Change of use of a previously permitted vacant crèche over two levels to one number three-bedroom residential duplex unit with external ground floor terrace, first floor balcony, minor elevational alterations and all ancillary site development works at Coldcut Park, located at the junction of Coldcut Road and Cloverhill Road, Ballyfermot, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the location of the residential development of Coldcut Park, to the pattern of development in the area, and to the availability of alternative childcare facilities within the wider area, it is considered that, subject to compliance with the conditions set out below, the proposed change of use would not seriously injure the residential amenities of the area. It is considered that the proposed change of use would not, in this instance, be a material contravention of the South Dublin County Development Plan 2016 – 2022 policies on childcare. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The external finishes of the proposed development shall be the same as those of the existing residential block in respect of colour and texture.

Reason: In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

4. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

5. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
