

# Board Order ABP-300861-18

Planning and Development Acts 2000 to 2018

**Planning Authority: Cork County Council** 

Planning Register Reference Number: 17/04567

**Appeal** by Gretta Costelloe of 9 Maglin Crescent, Ballincollig, County Cork against the decision made on the 19<sup>th</sup> day of January, 2018 by Cork County Council to grant subject to conditions a permission to Stonecrest Construction Limited care of Doyle McDonagh Nash Architects of 21 Patricks Hill, Cork in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** The application to the planning authority was described as an application for permission for development comprising the construction of 17 number two-storey houses consisting of 14 number semi-detached dwellings and three number detached dwellings, with the development connecting to the existing Maglin estate's road and services, and includes all associated site works, including new boundaries on a site off the existing Maglin estate, Maglin, Ballincollig, County Cork.

Revised proposals for the proposed development were received by the planning authority by way of further information on the 18<sup>th</sup> day of December, 2017.

## **Decision**

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

#### **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

#### **Reasons and Considerations**

Having regard to the zoning provisions for the site as set out in the Ballincollig Carrigaline District Local Area Plan, 2017 and to the design, character and layout of the development proposed, it is considered that the proposed development would not adversely affect the character and setting of the protected structure/recorded monument of Ballincollig Castle, would not seriously injure the residential amenities of adjoining properties, would be acceptable in terms of visual impact, would be acceptable in terms of traffic safety and convenience, would not contribute to the expansion of invasive plant species in the area, and would be in accordance with the provisions of the Ballincollig Carrigaline District Local Area Plan, 2017. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted to the planning authority on the 18<sup>th</sup> day of December, 2017, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed houses shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason**: In the interest of visual amenity.

3. Details of all boundary treatment for individual housing units and along the site's perimeter shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development.

**Reason**: In the interests of residential and visual amenity.

4. The areas of public open space shown on the lodged plans shall be reserved for such use. These areas shall be contoured, soiled, seeded, and landscaped in accordance with the landscaping scheme submitted to the planning authority on the 18<sup>th</sup> day of December, 2017. This work shall be completed before any of the dwellings are made available for occupation.

**Reason**: In order to ensure the satisfactory development of the public open space areas, and their continued use for this purpose.

5. Prior to commencement of development, details of a programme of works to control the spread of Japanese Knotweed in the area arising from the construction of the proposed development shall be submitted to, and agreed in writing with, the planning authority.

**Reason**: To control the spread of invasive plant species in the area.

6. The developer shall facilitate the preservation, recording and protection

of archaeological materials or features that may exist within the site. In

this regard, the developer shall -

notify the planning authority in writing at least four weeks prior to (a)

the commencement of any site operation (including hydrological

and geotechnical investigations) relating to the proposed

development,

employ a suitably-qualified archaeologist who shall monitor all site (b)

investigations and other excavation works, and

provide arrangements, acceptable to the planning authority, for the (c)

recording and for the removal of any archaeological material which

the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall

be referred to An Bord Pleanála for determination.

**Reason**: In order to conserve the archaeological heritage of the site and

to secure the preservation and protection of any remains that may exist

within the site.

7. Water supply and drainage arrangements, including the disposal of

surface water, shall comply with the requirements of the planning

authority for such works and services.

**Reason**: In the interest of public health.

8. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise and vibration management measures and off-site disposal of construction/demolition waste.

**Reason**: In the interests of public safety and residential amenity.

9. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason**: In order to safeguard the residential amenities of property in the vicinity.

10. Proposals for a name and numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all signs, and house numbers shall be provided in accordance with the agreed scheme.

**Reason**: In the interest of urban legibility.

11. Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of any house.

**Reason**: In the interests of amenity and public safety.

12. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and 3 (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

13. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

**Reason:** To ensure the satisfactory completion and maintenance of the development until taken in charge.

14. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
