**Planning and Development Acts 2000 to 2018**

**Planning Authority: Dún Laoghaire-Rathdown County Council**

**Planning Register Reference Number: D18A/0313**

**Appeal** by Midgard Construction Limited care of Pames Developments Limited of 1<sup>st</sup> Floor, 60 Amiens Street, Dublin against the decision made on the 31<sup>st</sup> day of May, 2018 by Dún Laoghaire-Rathdown County Council to refuse permission for the proposed development.

**Proposed Development:** Permission for development of 0.19 hectare site bounded by Church Road to the north-east, a laneway of no known name linking Church Road and Mountain Villa to the south-east, number 6 Mountain Villa to the south-west and the residential property 'Keem' to the north-west, consisting of the demolition of 36 Church Road (a single storey dwelling), 36a Church Road (a single storey dwelling accessed directly from the laneway) and 7 Mountain Villa, along with all other existing structures on the site. The construction of a two, three and four storey apartment building of 20 number apartments (total gross floor area 1,897 square metres) consisting of three number one-bedroom, six number two-bedroom and two number three-bedroom apartments, seven number two-bedroom duplex units and two number three-bedroom duplex units, all with private terraces/balconies. Parking for 22 number cars, bicycle parking, bin storage and sundry plant will

be provided at lower ground floor in an under-croft with vehicular access from the existing laneway which is to be widened from Church Road to the access to the under-croft car park providing a six metre carriageway and 1.2 metre wide footpath for a distance of approximately 34 metres along the laneway. The laneway will be extended to the boundary with Mountain Villa with the current pedestrian linkage maintained. Two number car spaces will be provided at the end of the laneway. Development to include boundary works, site landscaping and all associated works, all at 36 and 36a Church Road, Killiney and 7 Mountain Villa, Ballybrack, Glenageary, County Dublin.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## Reasons and Considerations

Having regard to the provisions of the Dún Laoghaire-Rathdown County Development Plan 2016–2022, and in particular the objectives of this plan that seek to promote infill residential development and increased residential densities, and having regard to the pattern of existing development in the area and the design, scale and layout of the proposed development, as modified, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area and would be acceptable in terms of pedestrian and traffic safety. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by An Bord Pleanála on the 27<sup>th</sup> day of June, 2018 and the 31<sup>st</sup> day of August, 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

3. The site access arrangements and the internal road network serving the proposed development, including turning bays, junctions, parking areas, footpaths and kerbs, and the basement car park, shall be in accordance with the detailed requirements of the planning authority for such works. All residential parking spaces shall be constructed so as to be capable of accommodating future electric vehicle charging points.

**Reason:** In the interests of amenity and of pedestrian and traffic safety.

4. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

5. Details of all boundary treatment shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development (including any demolition works) on the site.

**Reason:** In the interests of visual and residential amenity.

6. Prior to commencement of development, the developer shall appoint and retain the services of a qualified Landscape Architect (or qualified Landscape Designer) as a Landscape Consultant, throughout the life of the construction works and shall notify the planning authority of that appointment in writing prior to commencement. A Practical Completion Certificate shall be signed off by the Landscape Architect when all landscape works are fully completed to the satisfaction of the planning authority and in accordance with the permitted landscape proposals.

**Reason:** To ensure full and verifiable implementation of the approved landscape design.

7. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development. All existing over ground cables crossing or bounding the site shall be relocated underground as part of the site development works, at the developer's expense.

**Reason:** In the interests of visual and residential amenity.

8. Proposals for an estate/development name and apartment numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate and street signs and numbers, shall be provided in accordance with the agreed scheme. The proposed name shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name.

**Reason:** In the interests of urban legibility, and to ensure the use of locally appropriate place names for new residential areas.

9. Site development and building works shall be carried out only between the hours of 08.00 to 19.00 Mondays to Fridays inclusive, between 08.00 to 14.00 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

10. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, noise management measures and off-site disposal of construction/demolition waste.

**Reason:** In the interests of public safety and residential amenity.

11. A construction traffic management plan shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. The plan shall include details of arrangements for routes for construction traffic, parking during the construction phase, the location of the compound for storage of plant and machinery (which shall not be within the areas designated for tree protection) and for storage of deliveries to the site.

**Reason:** In the interests of public safety and residential amenity.

12. A plan containing details for the management of waste within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials and for the ongoing operation of these facilities shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.

**Reason:** In the interests of residential amenity and proper waste management.

13. Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of any unit.

**Reason:** In the interests of residential amenity and public safety.

14. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 96(4) and 96(2) and 3 (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 97(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

15. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

**Reason:** To ensure the satisfactory completion of the development.

16. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
