

# Board Order ABP-302015-18

Planning and Development Acts 2000 to 2018

Planning Authority: Limerick City and County Council

Planning Register Reference Number: 17/1190

**Appeal** by Desmond Noonan of Boithrin an Tobair, South Circular Road, Limerick and by William Murphy of 5 Green Park Avenue, South Circular Road, Limerick against the decision made on the 13<sup>th</sup> day of June, 2018 by Limerick City and County Council to grant subject to conditions a permission to M.A. Ryan and Sons care of Gilleece McDonnell O'Shaughnessy Limited of Cyprus House, Cyprus Avenue, Dooradoyle, Limerick in accordance with plans and particulars lodged with the said Council.

Proposed Development: Construction of a housing development of 31 number residential dwellings consisting of 11 number detached dwellings, 20 number semi-detached dwellings with ancillary roads and infrastructure. Permission is also sought for the upgrade of Greenpark Avenue consisting of the installation of speed ramps, the realignment of the junction of Greenpark Avenue with the South Circular Road and the installation of a table top at the junction of Greenpark Avenue and South Circular Road with speed ramps at each approach. All at Greenpark Avenue, South Circular Road, Limerick.

## **Decision**

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

#### **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

### **Reasons and Considerations**

Having regard to the zoning provisions for the site as set out in the current Limerick City Development Plan and to the design, character and layout of the development proposed, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity, would be acceptable in terms of traffic safety and convenience and would be in accordance with the provisions of the current Limerick City Development Plan. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted to the planning authority on the 6<sup>th</sup> day of April, 2018 and the 18<sup>th</sup> day of May, 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The proposed development shall be amended as follows:

House number 25 shall be omitted. The residual area shall be laid out as public open space. Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of residential amenity.

Details of the materials, colours and textures of all the external finishes
to the proposed dwellings shall be submitted to, and agreed in writing
with, the planning authority prior to commencement of development

**Reason:** In the interest of visual amenity.

4. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

Reason: In the interests of visual and residential amenity.

5. The site shall be landscaped in accordance with a landscaping scheme to be submitted to, and agreed in writing with, the planning authority prior to the commencement of development. This shall include comprehensive site boundary treatment provisions, the provision of screen walls/fencing along and between residential properties, and detailed specifications of the children's play area.

**Reason:** In the interests of residential and visual amenity.

 Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

7. Public lighting shall be provided in accordance with a scheme, which shall include lighting along pedestrian routes through open spaces details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of any house.

**Reason:** In the interests of amenity and public safety.

- 8. The developer shall facilitate the preservation, recording and protection of archaeological materials or features that may exist within the site. In this regard, the developer shall -
  - (a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development,
  - (b) employ a suitably-qualified archaeologist who shall monitor all site investigations and other excavation works, and
  - (c) provide arrangements, acceptable to the planning authority, for the recording and for the removal of any archaeological material which the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

**Reason:** In order to conserve the archaeological heritage of the site and to secure the preservation and protection of any remains that may exist within the site.

9. Prior to commencement of development, proposals for an estate/street name, house numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority. Thereafter all estate and street signs, and house numbers, shall be provided in accordance with the agreed scheme.

**Reason:** In the interest of orderly development.

10. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures, traffic management measures and off-site disposal of construction/demolition waste.

**Reason:** In the interests of public safety and residential amenity.

11. Site development and building works shall be carried out between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason**: In order to safeguard the residential amenities of property in the vicinity.

12. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and 3 (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

13. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

**Reason:** To ensure the satisfactory completion and maintenance of the development until taken in charge.

14. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
