Planning Authority: Dún Laoghaire-Rathdown County Council

Planning Register Reference Number: D18B/0317

Appeal by Kieran and Sarah Kelly of Haast Lodge, 1b The Courtyard, Islington Avenue, Sandycove, County Dublin against the decision made on the 1st day of November, 2018 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Muriel Elder care of GAP Architects of 53A Cardonagh Park, Donaghmede, Dublin in accordance with plans and particulars lodged with the said Council.

Proposed Development: (1) The construction of a single storey flat roofed extension to the side and rear of the existing house, (2) the replacement of the existing first floor bedroom window onto Islington Avenue with a new corner window and (3) plus all associated site works at 1A The Courtyard, Islington Avenue, Sandycove, County Dublin, as amended by the further public notice received by the planning authority on the 9th day of October, 2018.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the provisions of the current Dún Laoghaire-Rathdown County Development Plan 2016-2022, the location of the site in an established residential area and its zoning for residential purposes and to the nature, form, scale and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted to the planning authority on the 9th day of October, 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The external finishes of the proposed extension including roof coverings shall be the same as those of the existing dwelling in respect of colour and texture.

Reason: In the interest of visual amenity.

3. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

4. The entire house shall be used as a single dwelling unit and shall not be subdivided in any manner or used as two or more separate habitable units.

Reason: To prevent unauthorised development.

5. The site and building works required to implement the development shall be carried out only between the hours of 0800 to 1800 Monday to Fridays, between 0800 to 1400 hours on Saturdays and not at all on Sundays and Public Holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of adjoining property in the vicinity.

6. All public service cables for the development, including electrical and telecommunications cables, shall be located underground throughout the site.

Reason: In the interest of visual amenity.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
