**Planning and Development Acts 2000 to 2018**

**Planning Authority: Dún Laoghaire-Rathdown County Council**

**Planning Register Reference Number: D18A/1018**

**Appeal** by Colin and Aoibhe Riordan of 61 Monaloe Park Road, Deansgrange, County Dublin against the decision made on the 18<sup>th</sup> day of December, 2018 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Finbarr and Helen Murphy care of Ciara Murray Architects of 10 Newmarket Square, Dublin in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** A new two-storey detached house with new vehicular access and associated landscaping, including new boundary walls at 1 Monaloe Drive, Deansgrange, Blackrock, County Dublin.

**Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the provisions of the Dún Laoghaire Rathdown County Development Plan 2016-2022, the pattern of development in the area and to the nature, form, scale and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. A high-level window shall be provided in the ensuite bathroom of bedroom number 3 at first floor level on the south-western (Monaloe Drive) elevation.

**Reason:** In the interest of visual amenity.

3. Details of the materials, colours and textures of all the external finishes to the proposed dwelling shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

4. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

5. Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001, and any statutory provision replacing or amending them, no development falling within Class 1 or Class 3 of Schedule 2, Part 1 of those Regulations shall take place within the curtilages of the existing or proposed houses without a prior grant of planning permission.

**Reason:** In order to ensure that a reasonable amount of rear garden space is retained for the benefit of the occupants of the new and existing dwellings.

6. The footpath shall be dished at the road junction in accordance with the requirements of the planning authority. Details of the location and materials to be used in such dishing shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interests of visual amenity and pedestrian safety.

7. The construction of the development shall be managed in accordance with a Construction Management Plan which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including hours of working, noise management measures, protection of the existing trees in the grass verges during the construction phase, protection of the existing water mains, and off-site disposal of construction/demolition waste.

**Reason:** In the interests of public safety and residential amenity.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
