

Planning and Development Acts 2000 to 2018

Planning Authority: Wexford County Council

Planning Register Reference Number: 20181592

APPEAL by Stephen Treacy and Catriona Nangle of Whelan's Lane, Dunanore, Bree, Enniscorthy, County Wexford against the decision made on the 18th day of January, 2019 by Wexford County Council to refuse permission.

Proposed Development: Erection of a dwelling, garage, vehicular entrance and associated site works at Kereight, Ballyhogue, Enniscorthy, County Wexford.

Decision

REFUSE permission for the above proposed development in accordance with the reasons and considerations set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the location of the site within a rural area under urban influence, and to National Policy Objective 19 of the National Planning Framework (February 2018) which, for rural areas under urban influence, seeks to facilitate the provision of single housing in the countryside based on the core consideration of demonstrable economic or social need to live in a rural area, having regard to the viability of smaller towns and rural settlements, it is considered that the applicant has not demonstrated an economic or social need to live in a rural area having regard to the viability of smaller towns and rural settlements and, therefore, the proposed development does not comply with National Policy Objective 19. The proposed development would contribute to the encroachment of random rural development in the area, would militate against the preservation of the rural environment and the efficient provision of public services and infrastructure and would contravene the provisions of the National Planning Framework. The proposed development would, therefore, be contrary to the proper planning and sustainable development of the area.
