## **Planning and Development Acts 2000 to 2018**

**Planning Authority: Dublin City Council**

**Planning Register Reference Number: 4573/18**

**Appeal** by Zara Fonseca Kelly care of Ceardean Limited of D8 Studios, 9 Dolphins Barn, South Circular Road, Dublin against the decision made on the 8<sup>th</sup> day of February, 2019 by Dublin City Council to refuse permission for the proposed development.

**Proposed Development:** Bedroom extension at ground floor and extension of living room at first floor level to the side with partially enclosed roof terrace opening to north and west, with ancillary site works at 10 Greenville Avenue, Dublin.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the zoning objective for the site, the pattern of development in the vicinity and the policies of the current Dublin City Development Plan 2016-2022, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenity of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Site development and building works shall be carried out only between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.
