**Appeal** by Christopher Finnerty of 26 Brookwood Avenue, Artane, Dublin against the decision made on the 23<sup>rd</sup> day of April, 2019 by Dublin City Council to grant subject to conditions a permission to Paul and Derek Peppard of 28 Brookwood Avenue, Artane, Dublin in accordance with plans and particulars lodged with the said Council:

**Proposed Development:** Construction of a two-storey extension and dormer attic conversion to the rear at 28 Brookwood Avenue, Artane, Dublin.

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the provisions of the Dublin City Development Plan 2016-2022, the existing pattern of development in the area, and the nature and scale of the proposed development, it is considered that subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The proposed frosted glass window at first floor within the western elevation shall be omitted.

**Reason:** In the interests of residential amenity and proper planning

3. The external finishes of the proposed extension (including roof tiles/slates) shall be the same as those of the existing dwelling in respect of colour and texture.

**Reason:** In the interest of visual amenity.

4. Water supply and drainage arrangements, including the disposal and attenuation of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0700 and 1800 from Mondays to Fridays inclusive, between 0800 and 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

6. The site and development works shall be carried out in such a manner as to ensure that the adjoining street(s) are kept clear of debris, soil and other material and if the need arises for cleaning works to be carried out on the adjoining public road, the said cleaning works shall be carried out at the developer's expense.

**Reason:** In the interest of orderly development.
