**Planning and Development Acts 2000 to 2019**

**Planning Authority: Dublin City Council**

**Planning Register Reference Number: 2421/19**

**Appeal** by Brian Carroll of 59 Harold Road, Stoneybatter, Dublin against the decision made on the 10<sup>th</sup> day of June, 2019 by Dublin City Council to grant subject to conditions a permission to Dominic Leonard care of Colin Eaton of 30 Southern Cross Avenue, Dublin in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** Renovation and extension of the existing single storey terraced dwelling to include demolition of garage to side and construction of a single storey extension to side. All at 1 Malachi Road, Dublin.

**Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the nature and scale of the proposed development, and to the existing pattern of development in the vicinity, it is considered that, subject to compliance with the conditions set out below, the proposed development would not be out of character with development in the area, would not seriously injure the residential or visual amenities of the area or of property in the vicinity, and would not be prejudicial to public health. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 14<sup>th</sup> day of May, 2019, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The external finishes of the extension, including roof slates, shall harmonise with those of the existing dwelling in respect of colour and texture.

**Reason:** In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and to ensure a proper standard of development.

4. Site development and building works shall be carried out between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

5. The site development works and construction works shall be carried out in such a manner as to ensure that the adjoining streets are kept clear of debris, soil and other material and if the need arises for cleaning works to be carried out on the adjoining public roads, the cleaning works shall be carried out at the developer's expense.

**Reason:** To ensure that the adjoining roadways are kept in a clean and safe condition during construction works in the interest of orderly development.
