**Planning and Development Acts 2000 to 2019**

**Planning Authority: South Dublin County Council**

**Planning Register Reference Number: SD19B/0368.**

**Appeal** by James and Sarah Fitzpatrick of 38 Mount Alton, Knocklyon, Dublin against the decision made on the 12<sup>th</sup> day of November, 2019 by South Dublin County Council in relation to the application for permission for development comprising a new ground floor entrance porch and skylight above with change of windows to the front. A new ground floor rear extension comprising of alterations and demolition works including the removal of rear shed. A new first floor flat roofed extension providing new first floor habitable accommodation, including raising of roof ridge to rear and sides hosting photovoltaic panels to the property at 38 Mount Alton, Knocklyon, Dublin in accordance with the plans and particulars lodged with the said Council (which decision was to grant subject to conditions a permission for the ground floor entrance porch and skylight above with change of windows to the front and to refuse permission for the ground floor rear extension alterations, first floor flat roofed extension providing new first floor habitable accommodation, including raising of roof ridge to rear and sides, photovoltaic panels to the property and demolition works including the removal of the rear shed).

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the provisions of the South Dublin County Council Development Plan 2016-2022, and the nature and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed extension area shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

4. Prior to commencement of development, the developer shall enter into a water and/or wastewater connection agreement(s) with Irish Water.

**Reason:** In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

6. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
