**Planning and Development Acts 2000 to 2019**

**Planning Authority: Dún Laoghaire-Rathdown County Council**

**Planning Register Reference Number: D19A/0595**

**Appeal** by David Crowley care of Diarmuid Ó Gráda of 16 Louvain, Roebuck Road, Clonskeagh, Dublin, by David and Pamela Regan care of Abode Design of 25 Brian Road, Marino, Dublin, and by Glen Cunningham and Caoimhe Kenny care of Robin Mandal Architects of The Courtyard, 40 Main Street, Blackrock, County Dublin against the decision made on the 16<sup>th</sup> day of December, 2019 by Dún Laoghaire-Rathdown County Council to grant subject to conditions a permission to Glen Cunningham and Caoimhe Kenny in accordance with plans and particulars lodged with the said Council:

**Proposed Development:** Permission for development, in lieu of existing granted mews house (planning register reference number D17A/0459). The development will consist of demolition of the existing shed and construction of a two-storey mews house with attic accommodation, integral garage and all associated site works and services at 33A Montpelier Lane, rear of 33 Montpelier Parade, Monkstown, County Dublin. The proposed development was revised by further public notices received by the planning authority on the 22<sup>nd</sup> day of November, 2019 and included provision of new timber screens to the rear boundaries of the adjacent properties, an additional timber screen

between the flat roof and landing of external stairs to garden, and installation of timber louvres to the window of the first floor kitchen/dining area.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the zoning objective of the area, the planning history of the site, the design, layout and scale of the proposed development, and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenities of the area or the residential amenity of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application,, as amended by the further plans and particulars submitted to the planning authority on the 22<sup>nd</sup> day of November, 2019, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and to ensure a proper standard of development.

3. Prior to commencement of development, the developer shall enter into water and/or waste water connection agreement(s) with Irish Water.

**Reason:** In the interest of public health.

4. Site development and building works shall be carried out only between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity.

5. All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard, ducting shall be provided to facilitate the provision of broadband infrastructure within the proposed development.

**Reason:** In the interest of orderly development and the visual amenities of the area.

6. The site development works and construction works shall be carried out in such a manner as to ensure that the adjoining street(s) are kept clear of debris, soil and other material and if the need arises for cleaning works to be carried out on the adjoining public roads, the said cleaning works shall be carried out at the developer's expense.

**Reason:** To ensure that the adjoining roadways are kept in a clean and safe condition during construction works in the interests of orderly development.

7. Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001, and any statutory provision replacing or amending them, no development falling within Classes 1, 3 and 5 of Schedule 2 of Part 1 to those Regulations shall take place within the curtilages of the house without a prior grant of planning permission.

**Reason:** In the interest of orderly development, and to allow the planning authority to assess the impact of any such development on the amenities of the area through the statutory planning process.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
