

Planning and Development Acts 2000 to 2019

Planning Authority: South Dublin County Council

Planning Register Reference Number: SD19A/0252

Appeal by Alva Glen Land Developments Limited care of Tom Phillips and Associates of 80 Harcourt Street, Dublin against the decision made on the 27th day of January, 2020 by South Dublin County Council to grant subject to conditions a permission to Peter Bradshaw care of Blankpage Architectural Services of Ballinree, Borris, County Carlow in accordance with plans and particulars lodged with the said Council.

Proposed Development: Change of use from aparthotel to restaurant, together with external signage and all associated site works at Golf Suites Hotel, Unit G05, Garters Lane, Citywest, Saggart, County Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the provisions of the South Dublin County Development Plan 2016 – 2022, and to the nature and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

In deciding not to accept the Inspector's recommendation to refuse permission, the Board had regard to the history of the site and noted that this was a new application for planning permission for a proposed development which would not be haphazard, and that a grant of permission would not facilitate the consolidation of unauthorised development.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 20th day of December, 2019, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed building shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of the visual amenities of the area.

3. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

4. Prior to commencement of development, the developer shall enter into water and/or wastewater connection agreement(s) with Irish Water.

Reason: In the interest of public health.

5. The restaurant shall not be operated between 2200 hours and 0800 hours.

Reason: In the interest of the residential amenities of property in the vicinity.

6. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

7. Site development and building works shall be carried out between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

8. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

John Connolly

Member of An Bord Pleanála

duly authorised to authenticate

the seal of the Board.

Dated this day of 2020.
