

Planning and Development Acts 2000 to 2019

Planning Authority: Dublin City Council

Planning Register Reference Number: 4738/19

Appeal by Paul Gillespie and Deirdre McQuillan of 33 Bloomfield Avenue and by Billy McGrath and Maire Kearney care of Laurie O'Connor Architects of 30 Belton Park Gardens, Collins Avenue, Dublin against the decision made on the 18th day of February, 2020 by Dublin City Council to grant subject to conditions a permission to Jill Twomey of 14 Raymond Street, Dublin in accordance with plans and particulars lodged with the said Council.

Proposed Development: Demolition of existing workshop and the construction of a three-storey two bedroom mews dwelling to include off-street parking and all ancillary site works at 34 Avenue Road, South Circular Road, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the Dublin City Development Plan 2016-2022 according to which the site is located within an area subject to the zoning objective Z2: to protect and/or improve the amenities of residential conservation areas, to the site configuration and dwelling design and the established pattern and character of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential amenities of adjoining properties or the visual amenities of the area and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

3. Development described in Classes 1 or 3 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001 as amended, shall not be carried out within the curtilage of the dwelling without a prior grant of planning permission.

Reason: In the interest of residential amenity.

4. The developer shall comply with the requirements of Transport Infrastructure Ireland for works on, near or adjacent to the Luas Light Rail system.

Reason: To ensure there is no adverse impact on Luas operations and safety concerns.

5. Site development and building works shall be carried only out between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 hours to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

6. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and traffic management measures.

Reason: In the interests of public safety and residential amenity.

7. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July, 2006. The plan shall include details of waste to be generated during site clearance and construction phases, and details of the methods and locations to be employed for the prevention, minimisation, recovery and disposal of this material in accordance with the provision of the Waste Management Plan for the Region in which the site is situated.

Reason: In the interest of sustainable waste management.

8. Drainage arrangements, including the attenuation and disposal of surface water and mitigation measures against flood risk including in the basement area, shall comply with the requirements of the planning authority for such works.

Reason: In the interest of public health.

9. The development shall enter water and wastewater connection agreements with Irish Water prior to commencement of development.

Reason: In the interest of public health.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

11. The developer shall pay to the planning authority a financial contribution in respect of Luas Cross City in accordance with the terms of the Supplementary Development Contribution Scheme made by the planning authority under section 49 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Supplementary Development Contribution Scheme made under section 49 of the Act be applied to the permission.
