

Planning and Development Acts 2000 to 2019

Planning Authority: Cork County Council

Planning Register Reference Number: 19/06065

Appeal by Denis McCarthy of 8 Maurland Estate, Carrigaline, County Cork and by Ciara Caffrey and Barry O’Keeffe of Chapel House, Church Hill, Carrigaline, County Cork against the decision made on the 28th day of February, 2020 by Cork County Council to grant subject to conditions a permission to Athena Private Assets Limited care of Butler O’Neill Total Planning Solutions of Old Thompson’s Bakery, Thompson House, MacCurtain Street, Cork in accordance with plans and particulars lodged with the said Council:

Proposed Development: Demolition of the existing derelict dwelling and the construction of 38 number residential units comprising of 10 number one bedroom apartments, two number two bedroom apartments and 26 number three bedroom duplex, terraced and semi-detached housing units in a scheme. Vehicular and pedestrian access to the residential scheme is from Church Hill at the east of the site. The development also includes, associated car parking, drainage, landscaping and boundary treatments, surface treatments and all ancillary site development works, all at Kilmoney, Church Hill, Carrigaline, County Cork as amended by the revised public notice received by the planning authority on the 3rd day of February, 2020.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the planning history of the site, to the zoning objective for this site, to the established residential development in the immediate vicinity, and to the density, design, character and layout of the proposed development, it is considered that the proposed development, subject to compliance with the conditions set out below, would not seriously injure the residential amenities of the area or the amenities of adjoining properties, would be acceptable in terms of traffic safety and convenience, and would otherwise be in accordance with the provisions of the Cork County Development Plan 2014 and the current Ballincollig Carrigaline Municipal District Local Area Plan. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted to the planning authority on the 3rd day of February, 2020, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Development described in Class 1 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001, or any statutory provision modifying or replacing them, shall not be carried out within the curtilage of the of the proposed dwellings without a prior grant of planning permission.

Reason: In the interest of residential amenity.

3. Details of the materials, colours and textures of all the external finishes to the proposed residential units shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity

4. The site shall be landscaped and all site boundary treatment shall be in accordance with the drawings submitted to the planning authority on the 3rd day of February, 2020. Hedgerow number 1 along the site's flanks shall be retained in full.

Reason: In the interest of residential and visual amenity.

5. Drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

6. The developer shall enter into water and waste water connection agreements with Irish Water, prior to commencement of development.

Reason: In the interest of public health.

7. The developer shall facilitate the preservation, recording and protection of archaeological materials or features that may exist within the site. In this regard, the developer shall -
 - (a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development,
 - (b) employ a suitably-qualified archaeologist who shall monitor all site investigations and other excavation works, and

- (c) provide arrangements, acceptable to the planning authority, for the recording and for the removal of any archaeological material which the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

Reason: In order to conserve the archaeological heritage of the site and to secure the preservation and protection of any remains that may exist within the site.

- 8. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including the demolition of the existing structures on the site, the retention of boundary walls, and the provision of the retaining wall along the southern site boundary.

Reason: In the interests of public safety and residential amenity.

- 9. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

10. Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interests of amenity and public safety.

11. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the current Development Plan for the area.

12. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space, landscaping and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed

between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

Reason: To ensure the satisfactory completion and maintenance of the development until taken in charge.

13. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
