**Planning and Development Acts 2000 to 2020**

**Planning Authority: Kildare County Council**

**Planning Register Reference Number: 20/768**

**Appeal** by Michael Hoey of 152 Crann Nua, Portarlinton, County Laois against the decision made on the 7<sup>th</sup> day of September, 2020 by Kildare County Council to grant subject to conditions a permission to Shared Access Limited care of Entrust Limited of Unit 3F, Deerpark Business Centre, Oranmore, County Galway in accordance with plans and particulars lodged with the said Council:

**Proposed Development:** A 21.1 metre multi-user monopole carrying telecommunications equipment including antennas, RRUs and dishes, together with associated exchange cabinets and all associated site development works. The development will provide for wireless data and broadband services at Rathangan FC, Canal Road, Rathangan Demesne, Rathangan, County Kildare.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## **Matters Considered**

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## **Reasons and Considerations**

Having regard to the provisions of the Kildare County Development Plan 2017-2023 and the Telecommunications Antennae and Support Structures Guidelines for Planning Authorities issued by the Department of Housing, Planning and Local Government in 1996 as updated by Circular Letter PL 07/12, it is considered that, subject to compliance with the conditions set out below, the proposed development would be in accordance with the relevant provisions of the Kildare County Development Plan 2017-2023 and would not seriously injure the amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The proposed mast and all associated antennas, equipment and fencing shall be demolished and removed from site when it is no longer required. The site shall be reinstated to its predevelopment condition at the expense of the developer.

**Reason:** In the interest of orderly development.

3. The antennae type and mounting configuration shall be in accordance with the details submitted with this application, and notwithstanding the provisions of the Planning and Development Regulations 2001, and any statutory provision amending or replacing them, shall not be altered without a prior grant of planning permission.

**Reason:** To clarify the nature and extent of the permitted development to which this permission relates and to facilitate a full assessment of any future alterations.

4. Surface water drainage arrangements for the proposed development shall comply with the requirements of the planning authority.

**Reason:** In the interest of public health.

5. A low intensity fixed red obstacle light shall be fitted as close to the top of the mast as practicable and shall be visible from all angles in azimuth. Details of this light, its location and period of operation shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of public safety.

6. Details of the proposed colour scheme for the telecommunications structure and ancillary structures shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of the visual amenities of the area.

7. Landscaping of the site shall be carried out in accordance with a landscaping scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of the visual amenities of the area.

8. No advertisement or advertisement structure shall be erected or displayed on the proposed structure or its appendages or within the curtilage of the site without a prior grant of planning permission.

**Reason:** In the interest of the visual amenities of the area.
