Having regard to:

- (a) the information submitted to the Board by the planning authority in relation to the entry of the site on the Vacant Sites Register,
- (b) the grounds of appeal submitted by the appellant,
- (c) the report of the Planning Inspector,
- (d) the location of the site is on residential lands,
- (e) the need for housing in the area, and
- (f) the suitability of the site for the provision of housing by reference to the provision of public infrastructure and facilities (within the meaning of section 48 of the Planning and Development Act, 2000, as amended) necessary to enable housing to be provided and serviced,

the Board considered that the site was a vacant site within the meaning of the Act for the period concerned and that it is appropriate that a notice be issued to the planning authority who shall confirm the entry on the Vacant Sites Register.
