

Planning and Development Acts 2000 to 2020

Planning Authority: Dublin City Council

Planning Register Reference Number: 2026/21

Appeal by Alan O'Reilly and Others of 9 Glenavy Park, Terenure, Dublin against the decision made on the 5th day of March, 2021 by Dublin City Council to grant subject to conditions a permission to Alan Campbell care of Tara Ward Architectural Planning of 4 Carrigmore Close, Aylesbury, Tallaght, Dublin in accordance with plans and particulars lodged with the said Council:

Proposed Development: First floor side/rear extension with pitched/hipped roof over one number roof light on hip, first floor internal alterations and proposed attic conversion with dormer roof window in rear slope of roof at attic level at 19 Lavarna Grove, Terenure, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

The proposed development is in an area zoned to protect, provide for and improve residential amenity as set out in the Dublin City Development Plan 2016-2022. Having regard to the pattern of development in the area, the relatively modest scale of the proposed development and its separation distance off the site boundaries and, subject to compliance with the conditions set out below, it is considered that the proposed development would not seriously injure the visual or residential amenity of the area, would be in accordance with the zoning objective for the area and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with

the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Surface water drainage arrangements shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

3. Details of the materials, colours and textures of all the external finishes to the proposed dwelling, including window and door joinery, shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

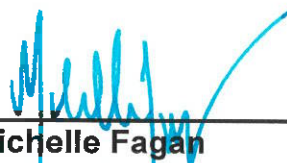

Reason: In the interest of visual amenity.

4. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

5. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
