Planning and Development Acts 2000 to 2020

Planning Authority: South Dublin County Council

Planning Register Reference Number: SD21B/0056

Appeal by Trevor O'Neill of 289 Killinarden Estate, Tallaght, Dublin against the decision made on the 6th day of April, 2021 by South Dublin County Council to grant subject to conditions a permission to Patrick Redmond care of Bell Associates of Whitestown Road, Rush, County Dublin in accordance with plans and particulars lodged with the said Council:

Proposed Development: Construction of 1. a single storey family/utility room extension to front, side and rear; 2. porch extension to front and associated site works to existing dwelling at 290, Killinarden Estate, Tallaght, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the residential zoning objective for the area and to the pattern of development in the vicinity it is considered that, subject to compliance with the conditions set out below, the proposed development would be acceptable in terms of scale, design and use, and would not seriously injure the amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The existing dwelling and proposed extension shall be jointly occupied as a single residential unit and the extension shall not be sold, let or otherwise transferred or conveyed, save as part of the dwelling.

Reason: To restrict the use of the extension in the interest of residential amenity.

3. No part of the proposed extension shall oversail the party boundary with Number 289 Killinarden Estate.

Reason: In the interest of clarity.

4. The external finishes of the proposed extension shall be the same as those of the existing dwelling in respect of colour and texture.

Reason: In the interest of visual amenity.

5. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

6. The drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services. Surface water from the site shall not be permitted to drain onto the adjoining public road or adjoining properties.

Reason: In the interest of public health.
