Board Order
ABP-310157-21

Planning and Development Acts 2000 to 2020

Planning Authority: Meath County Council

Planning Register Reference Number: AA/202077

Application for Leave to Appeal against the decision of the planning authority by Fiona Crowe and others of Highdell Organic Farm, Hayestown and Carnuff Little, Navan, County Meath, having an interest in land adjoining the land in respect of which Meath County Council decided on the 27th day of April, 2021 to grant subject to conditions permission to Carol McDermott care of Foster Associates Architects of Dean Hill, Hayes, Navan, County Meath.

Proposed Development: Construction of a single storey style dwelling with detached domestic garage, install a proprietary sewage treatment system and form new entrance from public road, all at Hayestown and Carnuff Little, Navan, County Meath.

Decision

GRANT leave to appeal under section 37 (6) of the Planning and Development Act, 2000, as amended, based on the reasons and considerations set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

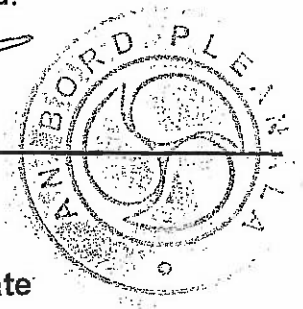

Reasons and Considerations

Having regard to the submissions and documents received in connection with the application for leave to appeal and the conditions set out in the planning authority's decision, it is considered that it has been shown that -

- (i) the development, in respect of which a decision to grant permission has been made, will differ materially from the development as set out in the application for permission by reason of condition number 18 imposed by the planning authority to which the grant is subject, and
- (ii) the imposition of condition number 18 will materially affect the applicant's enjoyment of the land adjoining the land in respect of which it has been decided to grant permission or reduce the value of the land.
