**Planning and Development Acts 2000 to 2020**

**Planning Authority: Wicklow County Council**

**Application for an Extension of Time to Apply for Substitute Consent** by ECT Sand & Gravel Limited care of Golder Associates Ireland Limited of Town Centre House, Dublin Road, Naas, County Kildare pursuant to the determination by An Bord Pleanála on the 9<sup>th</sup> day of July 2021, granting the owner/operator leave to apply to An Bord Pleanála for substitute consent.

**Development:** Quarry at Ballynabarney, Redcross, County Wicklow.

**Decision**

**Grant an extension of the period for the making of an application for substitute consent under section 177E (4) of the Planning and Development Act, 2000, as inserted by section 57 of the Planning and Development (Amendment) Act 2010, until the 24<sup>th</sup> day of December 2021, based on the reasons and considerations set out below.**

## Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

## Reasons and Considerations

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, arising from the unavailability of various contractors as a result of Covid 19 restrictions. It is considered that an extension time until the 24<sup>th</sup> day of December 2021 would be reasonable and appropriate to enable completion of application documentation to the necessary standard.
