

Planning and Development Acts 2000 to 2021

Planning Authority: Wexford County Council

Planning Register Reference Number: 20211294

Appeal by Phillip Kearney of Curraduff, Killealy, Enniscorthy, County Wexford against the decision made on the 1st day of October, 2021 by Wexford County Council to grant subject to conditions a permission to Barry O'Neill care of P. Nolan Architecture of 62 Weafer Street, Enniscorthy, County Wexford in accordance with plans and particulars lodged with the said Council:

Proposed Development: Retention of existing agricultural entrance and associated site works at Curraduff, Killealy, Enniscorthy, County Wexford.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Matters Considered

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

Reasons and Considerations

Having regard to the pattern of development in the vicinity, the nature of the subject development and the established nature of the agricultural land use, it is considered that, subject to compliance with the conditions set out below, the development for which retention is sought would not adversely affect the residential amenities of the area, would not create a traffic hazard and, therefore, would not be contrary to the proper planning and sustainable development of the area.

Conditions

1. The development shall be retained and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority and the development shall be retained and completed in accordance with the agreed particulars.

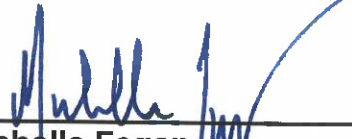

Reason: In the interest of clarity.

2. No surface water at the location of the gate/entrance shall be permitted to flow onto the public road. The developer shall agree drainage arrangements in writing with the planning authority to ensure that this is the case, within three months of the date of this Order.

Reason: In the interest of road safety.

3. The entrance hereby permitted is for agricultural purposes only.

Reason: In the interest of clarity.
