The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The changes proposed to the vehicular access are omitted from the permitted development.

Reason: To protect existing street trees and the visual amenity of the area.

3. The first floor window on the east facing elevation of the proposed side extension elevation shall be glazed with obscure glass.

Reason: To prevent overlooking of adjoining residential property.

4. The external finishes of the proposed extension including roof tiles/slates shall be the same as those of the existing dwelling in respect of colour and texture. The permitted dormer shall be clad in zinc.

Reason: In the interest of visual amenity.

5.
