Board Order
ABP-313567-22

Planning and Development Acts 2000 to 2022

Planning Authority: Sligo County Council

Planning Register Reference Number: 22/76

Appeal by Thomas Gallagher of Splitrock Road, Killeenduff, Easkey, County Sligo against the decision made on the 21st day of April, 2022 by Sligo County Council to refuse permission.

Proposed Development: Construction of a new agricultural machinery shed, including all other ancillary site works and services at Killeenduff, Easkey, County Sligo.

Decision

REFUSE permission for the above proposed development for the reasons and considerations set out below.

Reasons and Considerations

It is considered that, by reason of its siting and location remote from established agricultural structures and by reason of its scale, height and design, the proposed development would be incompatible in this rural area, would result in haphazard development in a rural location, and would be contrary to the rural development and landscape policies and agricultural development standards as set out in the Sligo County Development Plan 2017-2023 (as extended). The proposed development would, therefore, be contrary to the proper planning and sustainable development of the area.
