**Planning and Development Acts 2000 to 2021**

**Planning Authority: Wicklow County Council**

**Application for an Extension of Time to Apply for Substitute Consent** by ECT Sand and Gravel care of Tom Phillips and Associates of 80 Harcourt Street, Dublin pursuant to the determination by Wicklow County Council on the 3<sup>rd</sup> day of March, 2022 requiring the owner/operator to apply to An Bord Pleanála for substitute consent.

**Development:** Quarry at Ballynabarney, Redcross, County Wicklow.

**Decision**

**Grant an extension of the period for the making of an application for substitute consent under section 177E (4) of the Planning and Development Act, 2000, as inserted by section 57 of the Planning and Development (Amendment) Act 2010, for a Further Period, based on the reasons and considerations set out below.**

## Reasons and Considerations

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance, arising from the need to complete the necessary work and studies to prepare the remedial Environmental Impact Assessment Report and remedial Natura Impact Statement. It is considered that an extension of time until the 12<sup>th</sup> day of August, 2022 would be reasonable and appropriate to enable completion of application documentation to the necessary standard.
