Board Order ABP-314222-22

Derelict Sites Act, 1990

Planning and Development Acts, 2000 to 2022

Planning Authority: Dublin City Council

Application received by An Bord Pleanála on the 28th day of July 2022 from Dublin City Council pursuant to section 16 of the Derelict Sites Act, 1990, as amended, for consent to the compulsory acquisition of a derelict site at Number 2 Ranelagh, Dublin and as more particularly described in the notice of intention to compulsorily acquire the site.

Decision

GRANT consent to the compulsory acquisition of the said site based on the reasons and considerations set out below.

Reasons and Considerations

Having regard to the ruinous and derelict condition of the structure on the site and the derelict state of the site and to its neglected, unsightly and objectionable condition, having considered the objections made to the compulsory acquisition, and also:

- (a) the constitutional and Convention protection afforded to property rights,
- (b) the public interest, and
- (c) the provisions of Dublin City Development Plan 2022-2028,

it is considered that the site detracts to a material degree from the amenity, character and appearance of land in the neighbourhood and, therefore, comes within the definition of a derelict site as defined in sections 3 (a) and (b) of the Derelict Sites Act, 1990, as amended, and that the acquisition of the site by the local authority is necessary in order to render the site non-derelict and to prevent it continuing to be a derelict site. It is also considered that the objections made cannot be sustained having regard to that said necessity and that the compulsory acquisition and its effects on the property rights of affected landowners are proportionate to that objective and justified by the exigencies of the common good.
