## Board Order ABP-314331-22

**Planning and Development Acts 2000 to 2021**

**Planning Authority: South Dublin County Council**

**Planning Register Reference Number: S22B/0062**

**Appeal** by Brendan Canning of 1 Homelawn Villas, Tallaght, Dublin against the decision made on the 26<sup>th</sup> day of July, 2022 by South Dublin County Council to grant subject to conditions a permission to Darragh Satelle care of H2b Architects of 20 Moy View, Kildalkey, Navan, County Meath in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** A new two storey extension to front, side and rear of family home, single storey home office/storage to rear garden and all associated site works at 45 Homelawn Road, Tallaght, Dublin.

### Decision

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## Reasons and Considerations

Having regard to the provisions of the South Dublin County Development Plan, 2022-2028, including support for residential extensions subject to the protection of residential and visual amenities and compliance with relevant standards as expressed through Policy H14 and corresponding H14 Objective 1 and to the South Dublin County Council House Extension Design Guide (2010) that supplements the policies and guidance of the Development Plan and to the residential zoning objective for the site, the specific characteristics of the site and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity and would constitute an acceptable form of development at this location. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The proposed development shall comply with the plans and particulars lodged with the application submitted, and as amended by Further Information received on the 24<sup>th</sup> day of May 2022, and as amended by Clarification of Further Information received on the 29<sup>th</sup> day of June 2022, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed extension shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity.

3. The house and the proposed extension shall be jointly used as a single dwelling unit and shall not be sub-divided by way of sale or letting (including short-term letting) or otherwise nor shall it be used for any commercial purposes.

**Reason:** To prevent unauthorised development.

4. No access shall be provided to the rear laneway without a prior grant of permission. The access that has been provided to the laneway shall be removed as part of the works to provide the rear home office.

**Reason:** To prevent unauthorised development.

5. Drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health.

6. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0900 to 1400 hours on Saturdays and not at all on Sundays and public holidays.

Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

THE PLANNING  
P.C.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
