

Planning and Development Acts 2000 to 2022

Planning Authority: Limerick City and County Council

Planning Register Reference Number: 22/793

Appeal by Kieran Clancy and the Kilmurry Residents Association care of 38 Kilmurry Road, Garryowen, County Limerick, and by Keith Downey and Gerry Sheahan of 43 Kilmurry Road, Garryowen, County Limerick, against the decision made on the 13th day of September, 2022 by Limerick City and County Council to grant subject to conditions a permission to Real Capital G.P. Limited as general partner of Real Capital Limited Partnership care of Jonathan Marais of RDF Architects and Planning limited of Unit 19, Charleville Town Centre, Charleville, County Cork in accordance with plans and particulars lodged with the said Council.

Proposed Development: Demolition of existing derelict warehouse building. The construction of a 20-unit, four-storey apartment block comprising of 10 number one-bedroom and 10 number-two bedroom apartments, new vehicular and pedestrian entrance off Kilmurry Road and pedestrian entrance access to Dublin Road, stand-alone single storey bin storage shed, on-site car parking, open space amenity landscaped area, boundary walls, services and all associated site development works at Saint Anne's, Dublin Road, Limerick City.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the zoning objective for the site as set out in the Limerick Development Plan 2022 – 2028, the site specific flood risk assessment submitted, the National Planning Framework, 2018 – 2040, Urban Development and Building Heights, Guidelines for Planning Authorities, (2018), Sustainable Urban Housing: Design Standards for New Apartments, (2023), Sustainable Residential Development and Compact Settlements Guidelines (Jan 2024) as well as the overall scale, design and height of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would achieve an acceptable standard of urban design and would not seriously injure the residential or visual amenities of the area or of property in the vicinity, would respect the existing character of the area and would be acceptable in terms of traffic and pedestrian safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

3. The developer shall enter into water and/or wastewater connection agreements with Uisce Éireann prior to the commencement of this development.

Reason: In the interests of the proper planning and sustainable development of the area.

4. Prior to the commencement of the development, the developer shall submit to the planning authority for its written agreement proposals for the implementation of Mitigation measures identified in the approved Site Specific Flood Risk Assessment for the application.

Reason: In the interest of public health.

5. The site access arrangements and the internal road network serving the proposed development, including turning bays, junctions, parking areas, footpaths and kerbs, shall be in accordance with the detailed requirements of the planning authority for such works. All residential parking spaces shall be constructed so as to be capable of accommodating future electric vehicle charging points with a minimum 10% of spaces to be fitted with functional electric vehicle charging points.

Reason: In the interests of amenity and of pedestrian and traffic safety.

6. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

7. Details of all boundary treatments shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interests of visual and residential amenity.

8. The developer shall appoint and retain the services of a qualified Landscape Architect (or qualified Landscape Designer) as a Landscape Consultant, throughout the life of the construction works and shall notify the planning authority of that appointment, in writing, prior to commencement of development. A practical completion certificate shall be signed off by the Landscape Architect when all landscape works are fully completed to the satisfaction of the planning authority and in accordance with the permitted landscape proposals.

Reason: To ensure full and verifiable implementation of the approved landscape design.

9. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development. All existing over ground cables crossing or bounding the site shall be relocated underground as part of the site development works at the developer's expense.

Reason: In the interests of visual and residential amenity.

10. Proposals for the development name and apartment numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Thereafter, signs and numbers shall be provided in accordance with the agreed scheme. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name.

Reason: In the interest of urban legibility, and to ensure the use of locally appropriate place names for new residential areas.

11. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

12. A plan containing details for the management of waste within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials and for the ongoing operation of these facilities shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, the waste shall be managed in accordance with the agreed plan.

Reason: In the interests of residential amenity and proper waste management.

13. Public lighting shall be provided in accordance with a scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Such lighting shall be provided prior to the making available for occupation of any unit.

Reason: In the interests of residential amenity and public safety.

14. Prior to the commencement of development, the developer or any agent acting on its behalf, shall prepare a Resource Waste Management Plan (RWMP) as set out in the EPA's Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for Construction and Demolition Projects (2021) including demonstration of proposals to adhere to best practice and protocols. The RWMP shall include specific proposals as to how the RWMP will be measured and monitored for effectiveness; these details shall be placed on the file and retained as part of the public record. The RWMP must be submitted to the planning authority for written agreement prior to the commencement of development. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.

Reason: In the interest of sustainable waste management.

15. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

16. Prior to commencement of development, the developer or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and Section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 97(7) applies) may be referred by the planning authority or any other prospective party to the agreement to the Board for determination.

Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

17. The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company. A management scheme providing adequate measures for the future maintenance of public open spaces, roads and communal areas shall be submitted to, and agreed in writing with, the planning authority prior to occupation of the development.

Reason: To provide for the satisfactory future maintenance of this development in the interest of residential amenity.

18. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

Reason: To ensure the satisfactory completion of the development.

19. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

Joe Boland
Member of An Bord Pleanála
duly authorised to authenticate
the seal of the Board.

Dated this *1st* day of *February* 2024.
