**Proposed Development:** Provision of a 97.5-square metre two-bed, 2.5-storey mews dwelling with flat roof to front and pitched zinc roof to rear with off-street parking for one car facing Windsor Lane, with new rear garden to proposed dwelling, all at site to rear of 11 Windsor Avenue, Windsor Lane, Fairview, Dublin 3.

OB

## Decision

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## Reasons and Considerations

Having regard to the pattern of development in the area and its residential zoning under the Dublin City Development Plan 2022 - 2028, and to the standards for mews development, as set out in section 15.13.5 of the Development Plan, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the character of the area or the amenities of property in the vicinity and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The proposed development shall be carried out in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 5<sup>th</sup> day of September, 2022, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the proposed development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Revised drawings showing timber screens, two metres in height above finished floor level of the deck and for the depth of the raised deck area, erected to both the northern and southern side boundaries shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of residential amenity.

3. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.  
The laneway elevation shall be finished in white brick with white pointing.

**Reason:** In the interest of visual amenity.

4. Site development and building works shall be carried out only between the hours of 0800 to 1900 from Mondays to Fridays, inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity.

5. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground.

 **Reason:** In the interest of visual and residential amenity.

6. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interests of public health and surface water management.

7. Prior to commencement of development, the developer shall enter into water and/or wastewater connection agreement(s) with Uisce Éireann.

**Reason:** In the interest of public health.

8. The developer shall comply with all requirements of the planning authority in relation to transport and traffic matters.

**Reason:** In the interest of public safety.

9. The construction of the proposed development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the proposed development, including noise management measures, machinery storage and off-site disposal of construction/demolition waste.

**Reason:** In the interests of public safety and residential amenity.

OB

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
