ABP-315215-22

Planning and Development Acts 2000 to 2021

Planning Authority: Meath County Council

Planning Register Reference Number: 22/1184

Application for Leave to Appeal against the decision of the planning authority by Kenneth Payne care of Walter P. Toolan and Sons Solicitors of The Law Office, High Street, Ballinamore, County Leitrim having an interest in land adjoining the land in respect of which Meath County Council decided on the 1st day of November, 2022 to grant subject to conditions a permission to Breedon Cement Ireland Limited care of Tom Phillips and Associates of 80 Marcourt Street, Dublin.

Proposed Development: The development will consist of the deepening of the north-western portion of the existing limestone quarry extraction area (as permitted by Meath County Council Planning Register Reference TA900603) by four extractive benches of 10m OD, over an area of circa 4.13 hectares. The proposed development will not result in any increase to the annual output of the existing limestone quarry or to the production capacity of the existing cement plant. The proposed development will be served by the existing on-site haul road from the existing vehicular access point on the L8021. The application site forms part of EPA Industrial Emissions (IE) Licence Ref: P0487-07, all at Killaskillen, Kinnegad, County Meath.

Decision

REFUSE leave to appeal under section 37 (6) of the Planning and Development Act, 2000, as amended, based on the reasons and considerations set out below.

Reasons and Considerations

It is considered that it has not been shown that the development in respect of which a decision to grant permission has been made will differ materially from the development as set out in the application for permission by reason of conditions imposed by the planning authority to which the grant is subject.
