Reasons and Considerations

Having regard to the zoning objective of the area, the design, layout and scale of the proposed development, and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure residential or visual amenities, the established character or appearance of the area. The proposed development would, otherwise, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity

Reason: In the interest of clarity

2. The depth of the first-floor extension shall be reduced to six metres measured externally. The gross floor area of the proposed extension shall not exceed 40 square metres. Revised plans and particulars showing compliance with this condition shall be submitted to and agreed in writing with the planning authority prior to commencement of development.

Reason: In the interest of residential amenities.

3. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity

4. Site development and building works shall be carried out only between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the amenities of property in the vicinity.

5. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and surface water management.

6. Prior to commencement of development, the developer shall enter into water and/or waste water connection agreement(s) with Uisce Eireann

Reason: In the interest of public health.
