Reasons and Considerations

The location of the site on lands zoned RA-Residential Area in the Fingal County Development Plan 2023-2029, solely or primarily for residential use, falls within the scope of the criteria under 653B of the Taxes Consolidation Act 1997, as amended. The site falls within the scope of vacant or idle as required under section 653B (c)(ii) of the Act.

Connection to the water, foul drainage and surface water infrastructure has been determined to be feasible with no capacity issues. There are existing roads and footpaths in the area that can be connected to the subject site.

The site is not constrained by any contamination or presence of known archaeological or history remains. The site satisfies the criterion for inclusion on the map set out in section 653B(c) of the Taxes Consolidation Act 1997, as amended.
