Board Order ABP- 316854-23

Planning and Development Acts 2000 to 2022

Planning Authority: Kildare County Council

Planning Register Reference Number: 22/1135

Appeal by Matt and Fidelma Paris of 48 Emerson Court, Prosperous, County Kildare against the decision made on the 5th day of April, 2023 by Kildare County Council to grant permission subject to conditions to Mary Cummins care of Brian Connolly Associates of The Studio, Woods Way, Clane, County Kildare in accordance with plans and particulars lodged with the said Council.

Proposed Development: Construction of 33 number dwellings consisting of three number two-storey detached houses, 26 number two-storey semi-detached houses and one number two-storey block containing four number maisonette units. The development also includes widening of part of L7095 for provision of cycle lanes to both sides, new landscaped linear park, realignment and connection to existing foul sewer and all associated ancillary siteworks all at Curryhills, Prosperous, County Kildare. The proposed development was revised by further public notices received by the planning authority on the 14th day of February, 2023 which consists of (1) alterations to site layout, and (2) alterations to housing mix including provision of additional unit for a total of 34 number dwellings now proposed. The new house type breakdown now consists of two number two-storey detached houses, 26 number two-storey semi-detached houses, one number two-storey block containing four

number maisonette units and one number two-storey block containing two number maisonette units.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the zoning objectives of the subject site as per the Kildare County Development Plan 2023-2029, its location within an existing urban area, and the nature and scale of the proposed development it is considered that, subject to compliance with the conditions set out below, the proposed development would be acceptable and would not seriously injure the residential or visual amenities of the area or of property in the vicinity and would be acceptable in terms of traffic safety and flood risk. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 3rd day of February 2023, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the

development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Mitigation and monitoring measures outlined in the plans and particulars, including the Site Specific Flood Risk Assessment, shall be carried out in full, except where otherwise required by conditions attached to this permission.

Reason: In the interest of protecting the environment and in the interest of public health.

3. A schedule of all materials to be used in the external treatment of the development to include a variety of high-quality finishes, such as brick and stone, roofing materials, windows and doors shall be submitted to and agreed in writing with, the planning authority prior to commencement of development. In default of agreement, the matters in dispute shall be referred to An Bord Pleanála for determination.

Reason: In the interest of visual amenity and to ensure an appropriate high standard of development.

4. Public lighting shall be provided in accordance with a final scheme to reflect the indicative details in the submitted Public Lighting Report, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development/installation of lighting. Such lighting shall be provided prior to the making available for occupation of any house/unit.

Reason: In the interests of amenity and public safety.

5. The scheme shall be landscaped in accordance with the landscape scheme submitted to the planning authority on the 16th day of September 2022 unless otherwise agreed in writing with the planning authority. The landscape scheme

shall be implemented fully in the first planting season following completion of the substantial completion of the external construction works. All planting shall be adequately protected from damage until established. Any trees, plants or shrubs which die or are removed within three years of planting shall be replaced in the first planting season thereafter. Unless otherwise agreed in writing with the planning authority.

Reason: In the interest of visual amenity.

6. The developer shall facilitate the preservation, recording and protection of archaeological materials or features that may exist within the site. In this regard, the developer shall –
 - (a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development,
 - (b) employ a suitably-qualified archaeologist who shall monitor all site investigations and other excavation works, and
 - (c) provide arrangements, acceptable to the planning authority, for the recording and for the removal of any archaeological material which the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

Reason: In order to conserve the archaeological heritage of the site and to secure the preservation and protection of any remains that may exist within the site.

7. Proposals for a naming/numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all signs, and house/apartment numbers, shall be provided in accordance with the agreed scheme. The

proposed names shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name(s) of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed names.

Reason: In the interest of urban legibility and to ensure the use of locally appropriate place names for new residential areas.

8. All service cables associated with the proposed development such as electrical, telecommunications and communal television shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

Reason: In the interests of visual and residential amenity.

9. The developer shall enter into water and wastewater connection agreements with Uisce Éireann, prior to commencement of development.

Reason: In the interest of public health.

10. Drainage arrangements, including the disposal and attenuation of surface water, shall comply with the requirements of the planning authority for such works and services.

Prior to commencement of development the developer shall submit to the planning authority for written agreement a Stage 2 - Detailed Design Stage Storm Water Audit.

Upon Completion of the development, a Stage 3 Completion Stormwater Audit to demonstrate Sustainable Urban Drainage System measures have been installed and are working as designed and that there has been no

misconnections or damage to storm water drainage infrastructure during construction, shall be submitted to the planning authority for written agreement.

Reason: In the interest of public health and surface water management.

11. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity

12. Prior to the commencement of development, the developer or any agent acting on its behalf, shall prepare a Resource Waste Management Plan (RWMP) as set out in the EPA's Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for Construction and Demolition Projects (2021) including demonstration of proposals to adhere to best practice and protocols. The RWMP shall include specific proposals as to how the RWMP will be measured and monitored for effectiveness; these details shall be placed on the file and retained as part of the public record. The RWMP must be submitted to the planning authority for written agreement prior to the commencement of development. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.

Reason: In the interest of sustainable waste management.

13. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

14. Prior to the commencement of the development of any house or duplex unit in the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority pursuant to Section 47 of the Planning and Development Act 2000, that restricts any such residential units permitted (the number and location of each housing unit being specified in such agreement), pursuant to Section 47 of the Planning and Development Act 2000, that restricts all houses and duplex units permitted, to first occupation by individual purchasers i.e. those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing

Reason: To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.

15. Prior to commencement of development, the developer or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the

planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.

16. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

Reason: To ensure the satisfactory completion and maintenance of the development until taken in charge

17. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or,

in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
