Reasons and Considerations

The lands are located on lands residential with a Strategic Land Reserve (SLR) and as such is not available for residential development during the lifetime of the current county development plan. The land does not comply with the criteria set out under section 653B(a) and therefore should be omitted from the Residential Zoned Land Tax map as it does not meet the criteria for inclusion under section 653B of the Taxes and Consolidation Act 1997 as amended (as introduced by the Finance Act 2021).
