Planning and Development Acts 2000 to 2022

Amendment of Board Order

Planning Authority: Westmeath County Council

Planning Register Reference Number: 23/60158

DEVELOPMENT CONCERNED: (1) Construction of a six bay cubicle shed with underground storage tank; (2) remove existing above ground soiled water storage tank and replace with a new above ground soiled water tank in same location and (3) all ancillary site services at Abbeyland, Multyfarnham, County Westmeath.

WHEREAS the Board made a decision to grant subject to conditions a permission in relation to the above-mentioned appeal by Order dated the 13th day of February, 2025:

AND WHEREAS it has come to the attention of the Board that a condition requiring a section 48 contribution was omitted from the Board Order:

AND WHEREAS the Board considered that the correction of the above-mentioned error would not result in a material alteration of the terms of the Board's Order:

AND WHEREAS having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from persons who had made submissions or observations in relation to the appeal, the subject of this amendment:

NOW THEREFORE in accordance with section 146A(1) of the Planning and Development Act 2000, as amended, the Board hereby amends the above-mentioned decision so that a new condition number 9 of its Order should be added and the reason therefor shall be as follows:

9. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
