

Planning and Development Act 2000, as amended

Amendment of Commission Order

Planning Authority: Monaghan County Council

Application for Further Development of a Quarry by Scotshouse Quarries Limited in accordance with Section 37L of the Planning and Development Act 2000, as amended.

Location of quarry: Aghnaskew, Scotshouse, County Monaghan.

WHEREAS the Commission made a decision to grant subject to conditions a permission to Scotshouse Quarries Limited dated the 13th day of July, 2026,

AND WHEREAS it has come to the attention of the Commission that it would be appropriate for it to amend its decision to facilitate the doing of any thing pursuant to the permission or decision where the doing of that thing may reasonably be regarded as having been contemplated by a particular provision of the permission or decision or the terms of the permission or decision taken as a whole but which was not expressly provided for in the permission or decision with respect to condition number 12 of its Order,

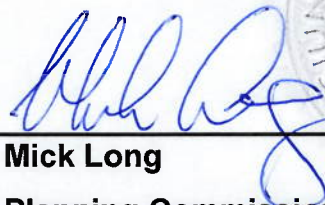

AND WHEREAS the Commission considered that the amendment of its Order would not result in a material alteration of the terms of the permission, the subject of the decision,

AND WHEREAS having regard to the nature of the issue involved, the Commission decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Commission in relation to the application the subject of this amendment,

NOW THEREFORE in accordance with section 146A(1)(b)(ii) of the Planning and Development Act 2000, as amended, the Commission hereby amends the above-mentioned decision so that condition number 12 shall be as follows for the reason set out:

12. The noise levels generated during the operation of the quarry shall not exceed 55 dB(A) Leq, 1hr when measured at the nearest noise sensitive receptors during permitted operating hours and shall not exceed 45 dB (a) leq 15 mins at any other time. When measuring the specific noise, the time shall be any one-hour period during which the sound emission from the quarry is at its maximum level.

Reason: In order to protect the residential amenities of property in the vicinity.

Mick Long
