Proposed Development: Erection of an 18-metre monopole structure carrying antennas, dishes and associated telecommunications equipment with a cabinet at ground level, all surrounded by safety bollards, at Eir Telephone Exchange, Saint Patrick's Road, Ardaravan, Buncrana, County Donegal.

Decision

REFUSE leave to appeal under section 37(6) of the Planning and Development Act, 2000, as amended, based on the reasons and considerations set out below.

Reasons and Considerations

Having regard to the submissions and documents received in connection with the application for leave to appeal and the conditions set out in the planning authority's decision, it is considered that it has not been shown that the development in respect of which a decision to grant permission has been made will differ materially from the development as set out in the application for permission by reason of conditions imposed by the planning authority to which the grant is subject.
