Board Order ABP-320016-24

Planning and Development Acts 2000 to 2022

Planning Authority: Dublin City Council

Planning Register Reference Number: 3486/24

Appeal by Tom Hill care of Colgan O'Reilly Architects of 93A Sandymount Road, Sandymount, Dublin against the decision made on the 30th day of May, 2024 by Dublin City Council to refuse permission.

Proposed Development: Retention of a dormer roof to the side of the existing house roof, change of brick façade to the front elevation and all ancillary works at 7 Claremont Park, Sandymount, Dublin.

Decision

GRANT permission for the above development based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the location of the site in a serviced urban area, the pattern of development in the area, the provisions of the Dublin City Development Plan 2022-2028, including the 'Z1' zoning objective for the area, Policy QHSN6 and Appendix 18, it is considered that, subject to compliance with the conditions set out below, the development proposed to be retained would be in accordance with local design guidance, would not seriously injure the visual or residential amenity of the area and would, therefore, be in accordance with the proper planning and sustainable development of the area.

CONDITIONS

1. The development shall be retained in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by An Bord Pleanála on the 26th day of June, 2024.

Reason: In the interest of clarity.

ROL

2. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid within six months of the date of this Order or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

Marie O'Connor
